If you like, you can choose from a range of set sightseeing tours, too.

See all the best known sights of London including Westminster Abbey, Buckingham Palace, St. James's Palace, Piccadilly Circus, Trafalgar Square, Covent Garden. And this is just a selection. Take a closer look at the sights you've seen a thousand times, learn the backstory and discover new sights that other tourists miss. It really is a must see tour.

4. possible solution

Dear Mr Peters,

We would like to book a tour including 6 sights.

Is it possible to do a tour for 9 hours from 9 a.m. to 6 p.m.? We would like a lunch break and a tea break – is that OK?

It would be great to meet at Leicester Square in the morning. And after the tour in the evening, we would like to go for dinner. Can you recommend a good restaurant?

Could you book a table for us?

Do we pay the entrance fees for the sights and your wage before or after the tour?

A quick reply would be great.

Yours sincerely, ...
